

MIDDLE EAST FUJI ENGINEERING LLC (Plant Machinery Sales- PMS)

Middle East Fuji Engineering LLC (MEFE) is specialized engineering wing of Group company of **Middle East Fuji LLC** having vast experience in serving Marine & Industrial sectors in Middle East.

Middle East Fuji Engineering LLC (MEFE) is subsidiary company of **Fuji Trading Co., Ltd , Japan** having Global Technical Service Network. **Plant Machinery Sales (PMS)** provide quality services to industrial customers with utmost customer satisfaction.

Group companies in **Singapore, Korea , China , USA, Oman , Qatar , Netherland & Brazil** for supply and services of various **equipment and spares** to marine & industrial customers worldwide.

Company History :

- 1993 :Established as Middle East Shipstores, offering chandlery services to ships calling at UAE ports
- 1999: Established “**Engineering Department**” joint venture with **Fuji Trading Group Japan** for supply and services of various Japanese equipments in Marine & Industrial sector .
- 2012: Established office in Qatar

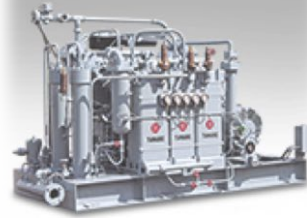

For more information,
visit our website www.mef.ae and www.fujitrading.co.jp

PLANT MACHINERY SALES -Specialized service provider for all INDUSTRIAL CUSTOMERS requirement pertain to Maintenance , Repair & Operation (MRO)

Our Scope :

• **Supply of equipments and genuine spares for**

- > *Mechanical Equipments*
- > *Electrical Equipments*
- > *Instrumentation and automation equipments*
- > *various manufacturers from Japan, Korea, China, Far East ,Europe, and USA .*

• **Engineering services such as overhauling ,general repair, commissioning & installation**

- > *Around 25 No's qualified engineers based in UAE & Qatar*
- > *Authorized by reputed Japanese manufacturers of various mechanical , electrical and automation equipments*

• **Provide in house full range of freight forwarding services in any location in Middle East.**

We cater Industrial sectors

- Oil & Gas
- Petrochemicals
- Water
- Power
- Fertilizer
- Steel and minerals
- Cement Plants
- EPC
- Chemical
- Process

For more information,
visit our website www.mef.ae and www.fujitrading.co.jp

Our Product Ranges –Supply equipments & spares

- Air Compressor
- Air Conditioning & Refrigeration Plant
- Air Motor / Air Tool
- Automation , Remote Control Equipments
- Bearings
- Blowers & Fan
- Boiler & Accessories
- Chemicals & Catalyst Bed Support
- Construction & Handling Equipments
- Conveyor Belt , Fender & Rubber Hose
- Corrosion Protection
- Couplings
- Electrical Starter, Switch Board & Control Panel
- Expansion Joints
- Filter & Strainer
- Fire Detecting & Fighting Equipments
- Gas Compressors
- Heat Exchanger , Condenser , Cooler & Heater
- Hydraulic Equipments
- Incinerator
- Laboratory Equipments
- Machine Tool
- Measuring Instruments
- Mechanical Seal

Middle East Fuji Engineering LLC as a part of Fuji Trading Co Ltd , Japan global network can procure and supply machineries and spares from following Japanese ,Korean , Far East makers , European & USA makers

Quality Policy :

MEFE committed with quality policy accredited and certified to

- ISO-9001 (Quality Management System),
- ISO-14001 (Environment Management System)
- OHSAS-18001 (Occupational Health & Safety Management System).
