Celestyal Cruises Season 2025–2026: Delivering Excellence Through Every Journey

Ms. Anusha Ashokan

The 2025–2026 Celestyal Cruises season in Dubai concluded on a high note, marking another successful chapter in the partnership between Celestyal Cruises and Middle East Fuji Khimji Shipping LLC (MEFKS), while reinforcing Dubai's growing reputation as a leading cruise destination.

Between December 2025 and March 2026, MEFKS managed the complete agency operations for Celestyal Cruises in Dubai, supporting 23 port calls, welcoming 19,715 passengers, and successfully coordinating 982 crew changes across Celestyal Journey and Celestyal Discovery.

A defining moment of the season came when Celestyal Discovery remained alongside at Port Rashid for an extended period of 46 days due to the prevailing geopolitical situation in the region. Despite the operational complexities and rapidly evolving circumstances, MEFKS maintained uninterrupted support to the vessel, its passengers, and crew, demonstrating resilience, adaptability, and an unwavering commitment to service excellence.

Working closely with maritime authorities, immigration officials, embassies, and consulates, the team assisted affected passengers in safely returning to their home countries while continuing to provide essential welfare, logistics, and crew support services throughout the extended stay.

From routine port calls to navigating extraordinary circumstances, the season showcased the strength of collaboration, operational expertise, and a shared commitment to keeping passengers and crew safe while ensuring service continuity at every stage of the journey.

Middle East Fuji Khimji Shipping – Fujairah

A Certificate of appreciation from Government of Fujairah Customs Department for the continued business association with Fujairah Seaport Customs.

Mid-Year General Cleaning: Refreshing Our Workspaces Together

Ms. Tabassum Shaikh

As we reached the midpoint of 2026, MEF continued its commitment to maintaining a clean, safe, and organized workplace through its Mid-Year General Cleaning held on 3rd July 2026. Teams from Dubai, India, Philippines, KSA, Djibouti, and Qatar came together to refresh and organize their workspaces, reinforcing the importance of a well-maintained environment in supporting daily operations. By decluttering offices, organizing files, and refreshing work areas, employees worked collectively to create spaces that promote focus, efficiency, and productivity. It also showcased MEF's strong culture of teamwork, with colleagues from different departments collaborating toward a common goal.

As we move into the second half of 2026, these refreshed and organized workspaces provide a strong foundation for continued collaboration. The initiative reflects MEF's ongoing commitment to fostering a positive, productive, and well-organized workplace for everyone.
